

**HISTORIC DISTRICT COMMISSION
MINUTES OF SPECIAL MEETING
MARCH 28, 2012**

Town of Bedford
Bedford Town Hall
Second Floor Conference Room

PRESENT: William Moonan, Chair; Kevin Latady; Lorrie Dunham

ABSENT: Karen Kalil-Brown, Clerk; Carol Carlson; Alan Long; George Dalrymple

The meeting was called to order at 7:50 PM.

Bruce Blake, the applicant for 68-84 Great Road, greeted the Commission and explained that the purpose of this meeting is to seek the Historic District Commission's (HDC) approval of specialized precast brick elements – four diamond and six square, all shown on the rendering Mr. Blake provided. Mr. Blake explained that these bricks were actually part of the original building and he thought it would be an appropriate nod to the past to include them on the new structure.

The Commission discussed the location and aesthetics of the these elements and agreed that the proposed elements would look attractive.

MOTION:

Mr. Latady moved to approve and accept the installation of six square medallions shown as letter "A" on Exhibit A and four diamond medallions shown as letter "B" on Exhibit A, in the positions indicated on Exhibit A. These medallions come from the original building and it is the desire of the owner to reuse them on the new building.

Ms. Dunham seconded the motion.

Voting in favor: Moonan, Latady, and Dunham

Voting against: None

Abstained: None

The motion carried unanimously, 3-0-0.

The meeting adjourned at 8:10 PM.
